

WJE AUSTIN

Solutions for the Built World

Established in 1984, the Wiss, Janney, Elstner Associates, Inc. (WJE) Austin office specializes in material sciences, building envelope integrity, and structural engineering. WJE Austin combines state-of-the-art laboratory facilities and testing capabilities with knowledge and expertise that is unparalleled in our profession. WJE Austin has an established presence in Texas, providing services on some of the state’s most notable projects.

OUR SERVICES

- Structural Engineering
- Architecture and Architectural Engineering
- Materials Science
- Testing
- Nondestructive Evaluation
- Design
- Concrete Structures
- Failure/Damage Investigation
- Roofing and Waterproofing
- Bridges and Civil Infrastructure
- Geotechnical and geological engineering
- Litigation Consulting
- Historic Preservation

OUR APPROACH

As materials, technologies, and structures change, our fundamental philosophy remains the same: developing better solutions based on an accurate diagnosis of each structure’s unique problem.

OUR PEOPLE

With thirty-eight employees in the Austin office and San Antonio annex and more than 600 employees nationwide, WJE has the resources to respond to virtually any problem, both in Texas and nationwide. The office’s engineers, architects, and materials scientists are experts in their respective fields. WJE’s understanding of structural behavior and the performance of materials is enhanced by experience gained from more than 125,000 projects throughout the state of Texas.

OUR RESOURCES

WJE Austin houses a 2,000-square foot laboratory for performing comprehensive materials testing. The Austin Laboratory is supported by the Janney Technical Center laboratory and testing facility, located in Northbrook, Illinois. WJE Austin also routinely performs comprehensive constructional materials evaluations, including the full range of plastic and hardened concrete evaluation testing.

AUSTIN REPRESENTATIVE PROJECTS

- **University of Texas, Robert B. Rowling Hall**
Austin, TX
Building Enclosure Commissioning
- **Port of Houston Authority**
Houston, TX
Facility and Condition Assessment Program
- **Texas State University, West Campus Housing**
San Marcos, TX
Building Envelope Consulting Services
- **Lee County Courthouse & Annex**
Giddings, TX
Structural Assessment, Repair Design, and Construction Administration Services
- **William P. Clements Building**
Austin, TX
Roof Assessment and Repair Design
- **University of Texas Southwest Medical Center Parking Garages**
Dallas, TX
Ongoing Structural Assessments and Repairs
- **City of Austin Engineering Rotation Lists**
Austin, TX
Forensic | Materials Science | Structural | Roofing/Waterproofing
- **University of Texas, L. Theo Belmont Hall**
Austin, TX
Facade Assessment/Difficult Access, Safety Program, Design, and UAS
- **Cow Bayou Swing Bridge**
Bridge City, TX
Historic Bridge Condition Assessment
- **Chisolm Trail Middle School**
Round Rock, TX
Reroofing Design and Construction Observations
- **Palo Verde Water Reclamation Facility**
Tonopah, AZ
Ongoing Structural Assessment and Trench/Pond Repairs
- **Capitol Complex Master Plan**
Austin, TX
Enclosure Consulting
- **Glenn Jackson Bridge**
Portland, OR
Evaluation and Localized Testing of Post-Tensioned Ducts
