

Wiss, Janney, Elstner Associates, Inc.
Solutions for the Built World

WJE is pleased to announce the addition of

Mark D. Chase, PE

to our Cleveland branch as a Senior Associate.

Mark Chase's career spans over thirty years of commercial and industrial design/build experience, including direct involvement with engineering, project management, and estimating. His experience also includes over fifteen years of general business administration in managing a successful private company.

Mr. Chase has diverse experience in designing civil and structural elements and analyzing and resolving building envelope, structural, and slab-on-grade issues. He has coordinated all disciplines for hundreds of commercial and industrial projects. His broad-based expertise ranges from industrial projects with heavy crane buildings and associated equipment foundations to intermediate commercial/institutional masonry facilities to wood/steel stud-framed multifamily residential and lodging facilities. Mr. Chase's project management experience also encompasses sales, detailed estimating, project coordination, field construction administration, and project close-out.

A licensed Professional Engineer in Ohio, Mr. Chase holds a Bachelor of Science degree in civil engineering from the University of Akron and a Bachelor of Science degree in technology from Bowling Green State University.

Please join us in congratulating Mr. Chase on his new position.
