## **Wiss, Janney, Elstner Dallas Branch Office Relocates**

DALLAS, TX (December 7, 2011) - Wiss, Janney, Elstner Associates, a prominent national firm of architects, structural engineers, and materials scientists, announced the relocation and expansion of its Dallas branch office.

Effective December 19, the new location will be 6363 N. State Highway 161, Suite 550, Irving, Texas 75038.

“WJE has provided expert services to the greater Dallas-Fort Worth metroplex for nearly 28 years, and we are proud to continue that tradition of excellence as we move to our new location,” said WJE Unit Manager and Associate Principal Doug Smith. “Based on the volume, pace, and variety of projects we encounter daily, our new office setting will enable our staff members to better meet the needs of our clients and allow for future growth.”

### **About WJE**

Wiss, Janney, Elstner Associates, Inc. (WJE), is an interdisciplinary firm of architects, structural engineers, and materials scientists that specializes in the investigation, analysis, testing, and design of repairs for historic and contemporary structures. WJE focuses on delivering practical, innovative, and technically sound solutions across all areas of construction technology. Since the firm's founding more than fifty years ago, WJE specialists bring the collective experience gained from conducting more than seventy-five thousand investigations worldwide to every construction challenge. WJE combines state-of-the-art laboratory and testing facilities, nationwide offices, and knowledge sharing systems to provide solutions for the built world. For more information, please visit [wje.com](http://wje.com).
