

Wiss, Janney, Elstner Associates, Inc.
Solutions for the Built World

WJE is pleased to announce the addition of

Jeff Garrison, PE, RRC, RWC,

to our Houston branch as a Senior Associate.

Mr. Garrison is experienced in the investigation and repair of roofing, waterproofing, and exterior cladding systems. He has worked on roofing projects that have included modified bitumen, built-up roofing, single-ply membranes, architectural and structural metal panel systems, and steep slope systems.

Mr. Garrison's below-grade waterproofing experience includes hot-fluid applied systems, single-ply membrane systems, and bentonite waterproofing.

Mr. Garrison's projects have also included performance and diagnostic testing, contract administration, and quality assurance observations. He has also developed renovation construction documents and provided new construction peer review and litigation consulting services.

A licensed Professional Engineer in Texas, Mr. Garrison holds a Bachelor of Science degree in civil engineering from Texas A&M University. He is also a Registered Roof Consultant and Registered Waterproofing Consultant with RCI, Inc.

Please join us in congratulating Mr. Garrison on his new position.
