Wiss, Janney, Elstner Associates, Inc. (WJE), Donates to Haiti Relief Efforts

NORTHBROOK, IL (February 5, 2010) — WJE and its employees donated more than \$32,000 to the American Red Cross Haiti Relief and Development Fund to help citizens affected by the recent earthquake that devastated Haiti's capital of Port au Prince. WJE guaranteed a \$5,000 contribution to the cause and offered to match employee donations of up to \$10,000. Within a two-week period, WJE employee donations exceeded \$17,000.

"We are very thankful for the overwhelming generosity and response from WJE staff members, and we hope our contributions will aid with food, water, shelter, medical supplies, and other humanitarian relief efforts that are desperately needed in Haiti at this time," said Thomas Oczkowski, WJE's vice president of finance and administration.

About WJE

Wiss, Janney, Elstner Associates, Inc. (WJE), is an interdisciplinary firm of architects, structural engineers, and materials scientists that specializes in the investigation, analysis, testing, and design of repairs for historic and contemporary structures. WJE focuses on delivering practical, innovative, and technically sound solutions across all areas of construction technology. Since the firm's founding more than fifty years ago, WJE specialists bring the collective experience gained from conducting more than seventy-five thousand investigations worldwide to every construction challenge. WJE combines state-of-the-art laboratory and testing facilities, nationwide offices, and knowledge sharing systems to provide solutions for the built world.
