

Wiss, Janney, Elstner Associates, Inc.
Solutions for the Built World

WJE is pleased to announce the addition of

Paul Whitenack, AIA

to our Minneapolis branch as a Senior Associate.

His expertise includes building envelope design and inspection, material matching and compatibility assessments, preparation of repair documents, construction administration, material salvage operations, and schematic design. Mr. Whitenack has served as lead project architect for various modern and historic structures.

Prior to joining WJE, Mr. Whitenack served as project architect for ten years with RSP Architects, Ltd., in Minneapolis. He is a licensed architect in Minnesota and Wisconsin and is also a LEED Accredited Professional.

Mr. Whitenack received his bachelor's degree in graphic communications from the University of Wisconsin-Oshkosh and a master's degree in architecture and urban planning from the University of Wisconsin-Milwaukee. He also serves on the AIA Minneapolis Board of Directors and was the recipient of the AIA Minnesota Young Architect Award.

Please join us in congratulating Mr. Whitenack on his new position. He will continue to provide exceptional service, technical excellence, and cost-effective solutions for clients nationwide.
