

Viola Hall | Specialist

EXPERIENCE

Viola Hall joined WJE in 2006 and has more than seventeen years of experience in roofing and roof consulting projects. She specializes in reroofing and new construction projects as well as document preparation for such projects. Ms. Hall's work has included initial roof surveys and analysis, reports, and roof infrared moisture surveys and analysis. Additionally, Ms. Hall is a Registered Roof Observer and has conducted quality assurance and prepared reports on several different types of roof systems.

Prior to joining WJE, Ms. Hall worked at Edis Oliver and Associates, where she gained experience working on numerous types of projects. She has extensive experience in the roofing and sheet metal industry, five years of which were spent in the contracting business.
