EXPERIENCE

Rebecca Wong specializes in Historic Preservation and Materials Conservation, and is an Architectural Historian in accordance with the Secretary of the Interior's Professional Qualifications Standards.

Prior to joining WJE, Ms. Wong was a Project Manager with the federal government in Boulder City, Nevada. With the federal government, Ms. Wong managed historic preservation projects at a National Historic Landmark. She served as the lead on the evaluation of character-defining features of properties within the landmark boundary and participated in developing Historic Structure Reports (HSRs), Historic American Building Survey (HABS), and treatment reports. Ms. Wong is knowledgeable and experienced in the application of the Secretary of the Interior's Standards for Historic Preservation and National Park Service Technical Preservation Briefs. She communicated regularly with State Historic Preservation Offices, the NPS National Landmarks Program, and the Advisory Council on Historic Preservation. Ms. Wong also has expertise in the federal guiding principles for sustainable design requirements, including Executive Orders 31423 and 31514. Ms. Wong served as a Federal Acquisition Certification-Contracting Officer's Representative (FAC-COR) for the government from 2005-2013.
