“WJE’s vision is about having people who work together to set the standard in our business,” said WJE President and Senior Principal William Nugent. These individuals have constantly demonstrated their commitment to that vision and to our core values—consummate professionalism, exceptional service, technical excellence, shared destiny, and fiscal responsibility. Please join me in congratulating them on their recent promotions,” he said.

**About WJE**

Wiss, Janney, Elstner Associates, Inc. (WJE), is an interdisciplinary firm of architects, structural engineers, and materials scientists that specializes in the investigation, analysis, testing, and design of repairs for historic and contemporary structures. WJE focuses on delivering practical, innovative, and technically sound solutions across all areas of construction technology. Since the firm's founding more than fifty years ago, WJE specialists bring the collective experience gained from conducting more than seventy-five thousand investigations worldwide to every construction challenge. WJE combines state-of-the-art laboratory and testing facilities, nationwide offices, and knowledge sharing systems to provide solutions for the built world. For more information, please visit [wje.com](http://wje.com).
