WJE Vice President Predrag Popovic Begins IABSE Presidency

NORTHBROOK, IL (November 2, 2010) — WJE vice president and senior principal [Predrag \(Pete\) Popovic](#), an internationally recognized expert and industry leader in bridge and structural repairs, has begun serving his three-year term as president of the International Association for Bridge and Structural Engineering (IABSE). Mr. Popovic has been with WJE for more than thirty years.

A member of IABSE since 1985, he is only the second individual from the United States to hold this position. Founded in 1929, IABSE is comprised of nearly 4,000 members in 100 countries. IABSE's mission is to promote the exchange of knowledge and to advance the practice of structural engineering worldwide.

About WJE

Wiss, Janney, Elstner Associates, Inc. (WJE), is an interdisciplinary firm of architects, structural engineers, and materials scientists that specializes in the investigation, analysis, testing, and design of repairs for historic and contemporary structures. WJE focuses on delivering practical, innovative, and technically sound solutions across all areas of construction technology. Since the firm's founding more than fifty years ago, WJE specialists bring the collective experience gained from conducting more than seventy-five thousand investigations worldwide to every construction challenge. WJE combines state-of-the-art laboratory and testing facilities, nationwide offices, and knowledge sharing systems to provide solutions for the built world.
